

# Scuttler Zoo

- Ostriches - bury heads
- Moles - scurry unseen yet destructive
- Tigers - fight tooth and claw all the way
- Dogs - prefer to fight in packs
- Owls - too smart for their own good
- Snails - just go too slow
- Turkeys - not too bright, wings that don't fly
- Elephants - I remember the old way
- Cockroach - run away at first sign of light
- Skunk - something just plain stinks here
- Sloth - glad we have tortoises
- Lemming - jumps off the cliff if everyone does
